**Instructions:**

1. Print the above card template pages on cardstock or thick paper. Print 3 x Page #2, and 6 x Page #3, using the Page #1 Card Front on the other side of the page. You will have a few extra of some card types. Note that you may need to set your printer to print slightly outside the typical printable area.
2. Cut the cards out, roughly along the dotted guide lines; we suggest using a straight paper cutter / personal trimmer to make it easier.
3. Follow the game instructions that came with the PDF, found on [www.tumblehomebooks.org](http://www.tumblehomebooks.org).
